

Vapro VBCI 280

Environmentally Friendly Rust Remover

Environmentally Friendly Neutral pH Rust Remover And Flash Rust Inhibitor

NATO STOCK NUMBER: PENDING

Description

Vapro VBCI 280 is an environmentally friendly neutral pH rust remover that effectively removes rust and tarnish from both ferrous and non-ferrous metals by chelating the ferrous ions from the surface of metal.

Unlike conventional rust removers, which are corrosive, dangerous to use, handle and store, Vapro VBCI 280 is biodegradable and is safe for humans, environment, metals and does not cause any hydrogen embrittlement.

Vapro VBCI 280 is 100% organic and is an excellent replacement for conventional rust removers where chemical waste disposal has to be observed. It does not require rinsing with water or neutralization after application.

Features & Benefits

- Safe for humans, environment and metals
- Effectively cleans and removes rust from both ferrous and non-ferrous metals
- Non-polluting to environment
- Does not harm skin
- Non-Flammable
- Completely organic
- Fortified with corrosion inhibitor to prevent flash rusting
- No rinsing required or neutralization required
- Safe-to-handle, use and store
- Biodegradable
- Odorless
- Colorless
- Effectively loosens rust-seized parts
- No neutralization with alkaline solution required
- Does not cause any hydrogen embrittlement

Applications And Area Of Use

- Cleaning of Heat Exchanger Tubes
- Loosens rust-seized parts or components
- In-process rust removal for components, parts and equipment
- For removal of rust before spray painting
- In-process rust removal of automotive parts and components
- In-process rust removal of pipes and pumps
- For removing rust from marine structures
- In-process cleaning of piping systems for Marine, Shipping, offshore and Oil Industries

Directions Of Use

Light rust : Brush or spray.

Heavy rust: Soak parts into Vapro VBCI 280 for 15 to 30 minutes.

Specifications

pH
7

Specific Gravity
1.04

Appearance
Free Flowing Liquid

Viscosity
Free Flowing

Colour
Colourless

Odour
Odourless

Flash Point
Non-flammable

Available Packaging

20 liters pail or 200 liters drum
